Pure fruit stripped from any intervention distant from nature. In the nose, flashes of strawberries and jam as sensory connectors to the best of this varietal. In the mouth, simple and easygoing. Its skin is soft as its ending.

Pura fruta despojada de cualquier intervención lejana a la naturaleza. En nariz destellos de frutillas y mermeladas como conectores sensoriales con lo mejor del varietal. En la boca su andamiaje es sencillo y simple. Su piel es suave como su final.
