Ph level: 3,6

Vineyard Location(s): Different vineyards in Gualtallary,
Uco Valley - Argentina.

Liviano como el fluir de una cascada. Un vino fresco, repleto de notas aromáticas blancas y tropicales. Una piel de madera sensible. Untuoso y casi etéreo. Un mantra de armonía, acidez en todas las estaciones del año.

Light as the flow of a waterfall. A fresh wine, full of aromatic white and tropical notes. A sensitive wood skin. Unctuous and almost ethereal. A harmony mantra, acidity in all seasons of the year.
