Ph levels: 3,74

Residual sugar: 2,8g/l

Oak Aging: 10 months in 50% French and 50% American oak of second use.

Vineyard Location(s): Uco Valley, Mendoza - Argentina

Deep reddish purple in colour, with entire mix of berry notes, fruity aromas and colour. A dense but very balanced body, with luxuriant layers of flavours of raspberry, cherry and cocoa. A touch of baking spices brings the whole wine together, making it incredibly fun to drink..

Un blend potente de color rojo rubí con reflejos violáceos y aromas a frutas rojas cocidas, cerezas, moras y con notas ahumadas y mentoladas. De cuerpo medio, untuoso, con notas terrosas y a hierba aromática. En boca se destaca la fruta madura, notas florales a violeta y vegetales y la nota especiada propio de la crianza en barrica. Final largo con retrogusto a ciruelas rojas.
